

Product Line Overview

 **ARBONNE.**
pure, safe, beneficial.

Product Line Overview

At Arbonne, beauty begins with premium botanical ingredients and an unwavering commitment to quality. Arbonne creates personal care and wellness products that preserve and enhance the skin, body and mind for an integrative approach to beauty. Working closely with scientists around the world and our Arbonne Institute of Research and Development (AIRD®) facility in Switzerland, we continually explore and develop new proprietary formulas that meet our exacting standards for quality and safety.

ANTI-AGEING

Achieve beautiful, younger-looking skin with a comprehensive, botanically based product assortment that addresses anti-ageing concerns for both women and men.

RE9 ADVANCED™

Synergises 9 major age-defying elements and botanicals in a powerful system of products clinically proven to start working within 24 hours.

NUTRIMENC® RE9®

Targets men's unique skin care needs — including protection from the external elements and the effects of shaving.

SKIN & BODY CARE

Botanically based face and body products revitalise the skin's appearance, promoting and enhancing overall skin health.

FC5™

Groundbreaking fresh cell technology formulas help hydrate, protect and revitalise skin.

BEFORE SUN

A botanically based, anti-ageing sun protection line for year-round use.

ABC ARBONNE BABY CARE®

Give little ones the skin care they deserve. Even grown-ups with sensitive skin can appreciate these mild products.

SHEA BUTTER

Help restore and enhance moisture, delivering a touch of luxury to your skin.

ARBONNE INTELLIGENCE®

Essential products formulated to maximise the condition, look and feel of skin and hair.

COSMETICS

A comprehensive makeup collection utilising beautiful science to promote gorgeous skin, eyes and lips.

ARBONNE COSMETICS

A perfect complement to your skin care regimen, Arbonne Cosmetics is a comprehensive line of makeup that lets your innermost beauty come to light.

HEALTH & WELLNESS

Living a healthier tomorrow takes better choices today. Small daily steps can make the biggest difference in your health.

SEASOURCE DETOX SPA®

A personal care purification program that helps the skin to function at its best.

Arbonne Ingredient Policy

The Arbonne Promise: To deliver pure, safe and beneficial products in line with our botanical tradition.

Pure: Arbonne is committed to the development of **unparalleled products free of harmful ingredients**, using a combination of botanical principles and scientific discovery. Our commitment begins with research and testing to ensure that each of our ingredients meets or exceeds industry standards for purity.

Arbonne personal care products are formulated without:

PABA
Animal products or animal by-products
Formaldehyde-donating preservatives
Petroleum-based ingredients:
Benzene
Mineral oil
Petrolatum
Phthalates
Toluene

Arbonne nutrition products are formulated without:

Artificial colours
Artificial flavours
Artificial sweeteners
Animal products
Animal by-products
Cholesterol
Saturated fats
Trans fats

In our ongoing commitment to ingredient excellence, we will continue to seek alternative ingredients to reduce the traces of parabens, gluten and GMO in our formulas. **We will bring to market top-quality products that are carefully reviewed to meet our high standards of purity.**

Safe: Arbonne is **dedicated to the safety of our products and our consumers**. We review our ingredients and our formulas based on the most objective, conclusive, scientifically supported sources available.

Before Arbonne brings any products to market, **all ingredients are reviewed and finished formulas are safety tested to ensure their quality**. These safety tests include irritancy and allergy testing for all products, ophthalmology testing for eye products, dermatologist testing for all beauty products, and additional pediatrician testing for baby products.

Beneficial: Arbonne offers premium quality beauty, health and wellness products with targeted results. We employ **consumer and clinical testing to reinforce our research and ensure our proprietary formulas deliver unparalleled performance**.

Arbonne Green Commitment

Arbonne is committed to environmental responsibility. As our business grows, we strive to minimise our impact on the earth through the implementation of innovative and responsible environmental practices, and we encourage our manufacturing and sourcing partners to do the same.

At Arbonne we:

- support responsible harvesting of our botanical ingredients (harvest and replenish).
- never utilise endangered plant species in our formulations.
- practise "source reduction," optimising packaging and product design to use less materials.
- use renewable sources for all of our paper packaging.
- strive to achieve Forest Stewardship Council (FSC) certification for all paper packaging.
- incorporate Post Consumer Recycled (PCR) content in all shipping cartons and plastic packaging, wherever possible.
- print with soy-based inks wherever possible.
- ensure our distribution facilities have recycling programs for all incidental packaging and shipping supplies.

Continuous improvement is critical to our commitment. We routinely review our ingredients, packaging materials and business operations to optimise our positive contribution to defending and protecting the earth's resources.
